1. **Research Week**  
   **April 14th-18th**

   *Research Week* is the University of Texas at Austin's annual celebration of undergraduate research and creative activity. **Here’s how you can participate!**
   
   **Attend Research Week Events**  
   Events range from poster sessions in which undergrads talk about their research projects to showcases of creative work to workshops focusing on various facets of the research process. **Visit the Events page** on the Research Week web site to learn more about the events happening all over campus during Research Week 2014!
   
   Be sure to look at the Events page as soon as possible—some events begin this week, and your department or program may be hosting one of them. **Visit the Longhorn Research Bazaar**  
   Learn more about research opportunities at UT and talk with students from all across campus about their research and creative projects. Enjoy free pizza and other treats (while they last)!
   
   Show off your participation with a free Research Week 2014 t-shirt (while they last)! **Visit our web page** to learn more about the Bazaar and this year's participants!

2. **Non Profit and Government Career Fair**  
   **April 16th; 11-3pm; Texas Union Ballroom**

   Open to all majors.  
   To view employers attending, please click the link below:

3. **Business of Healthcare Institute**

   There are a few spots available in the 2014 Business of Healthcare summer Institute.  
   The Texas Business Foundations Summer Institute (TBFSI) uses classroom instruction and simulation learning to completely immerse students in the core competencies of business. This intensive eight-week, 15-credit-hour program includes:
   - Business foundations curriculum, available in two tracks: Industry Track and Healthcare Track
   - Stock market and business simulations
   - Professional development
   - Team building and leadership opportunities
   - Small class size
   - Resume and business communications workshops
   - Mock interviews
   - Etiquette luncheon

6. **Aspire Awards Banquet**

   **Wednesday April 30th; 6-8pm; Alumni Center Ballroom**

   The Aspire Awards recognize the great achievements of students in the College of Natural Sciences from underrepresented populations and show by example the tremendous leadership of our students. Each year, the College honors Hispanic and African-American students who have excelled in the sciences at The University of Texas at Austin. In addition, the purpose of the night is to celebrate you not only as individuals but also as a group that can foster support and encouragement within the community. **Check out the event on Facebook.**
   The deadline to nominate is Wednesday, April 16th.

Preparing for the GRE
Tuesday, April 15 • 5-6:30 p.m. • CLA 0.112
This one-time workshop will include an overview of the GRE, highlight GRE resources, provide practice problems, and introduce you to helpful study tips.

Study Smarter, Not Harder
Monday, April 21 • 5-6 p.m. • JES A309
Studying shouldn’t feel like basic training yet sometimes it seems like it would take a few good students to get it done. That’s because “studying” is not a single act. This program helps you learn about the steps of the study cycle, and discover how to engage in meaningful, active learning to achieve the results you want in class.

Time & Procrastination
Tuesday, April 22 • 5-6 p.m. • JES A309
We all have the same amount of time in a day, but how we allocate it can make the difference between “I’m 3 hours late to the exam” versus “I’ve got plenty of time for that.” We’ll show you how to better use your time to make the most out of your every minute and find a balance between work and play.

Surviving Finals 101
Tuesday, April 29 • 5-6 p.m. • JES A309
Wednesday, April 30 • 5-6 p.m. • JES A309
Feel like your old study techniques could use a tune up? Join us for last minute tips and strategies on how to manage your time, study strategically, and stay healthy as you reach the academic finish line!

8. INSPIRE Women’s Leadership Program Applications

Scholarships
1. CNS Continuing Students Scholarship
Deadline: April 15, 2014
The 2014-2015 College of Natural Sciences scholarship application is now available. The common application is used to award college-level scholarships as well as the Health Professions Scholarships (for pre-medical students) and Out-of-State Tuition Waivers. Current CNS students can access the online application at https://www.utexas.edu/cns/scholarship.

In addition to the online application, students must submit at least one (1) faculty letter of recommendation. Students may have up to two faculty letters submitted on their behalf, however only one is required. Applications will not be considered complete until at least one letter of recommendation has been received. Instructions on who are eligible to write letters of recommendation and how to submit them can be found on the application.

2. Every Drop Counts Scholarship

Research and Volunteering

1. **StarNet Research Internships**
The StarNet Undergraduate Research Internship program provides undergraduates at the end of their third or fourth year of bachelor studies with valuable research experience, mentoring, and contact with industry representatives. Participating undergraduates not only gain confidence in their ability to perform hands-on research, but they also come to appreciate the doors that are opened to those with an advanced degree.

For more information, go to: https://www.src.org/program/starnet/undergrad-internships/

2. **The Undergraduate Research Awards**
Applications are due June 2nd

The University Honors Center is pleased to share The Undergraduate Awards, an opportunity for undergraduate students to have their best research essays or special projects recognized and published as part of a program celebrating top students from around the world. We encourage you to share this information with interested students and faculty in your department.

The Undergraduate Awards recognize the world’s top undergraduate research projects from a variety of academic disciplines spanning the humanities, sciences, and visual arts. Open to final and penultimate year undergraduates, students are invited to submit research essays or special projects completed as part of their coursework that have received a grade of A and present fresh ideas and new arguments. Winning students will have their work published in the Undergraduate Awards Journal and be invited to attend the UA Summit—a 3 day conference in Dublin, Ireland.

A sample announcement for your website or newsletter is attached, as well as template for announcement to departmental faculty members.

Students should visit www.utexas.edu/ugs/uhc/undergraduate.
