  All freight must be received no later than February 15th, 2019.

  This year, The University of Texas has prepaid for the freight handling charges. **However, The University of Texas does not pay for the shipping costs to and from the show.** The prepaid freight handling service includes:
  1. Freight delivered to booth on February 20th, 2019.
  2. Empty crates removed and stored. Empty labels will be available at the Lone Star Decorating service desk. Be sure that all material is removed from the crates before labeling them as empty.
  3. Empty crates delivered back to booth at the end of show.
  4. Outgoing freight placed on designated carrier. Exhibitor must bring the outgoing freight to the Lone Star Decorating service desk and check it in.
  **Lone Star Decorating is not responsible for loose freight. All shipments must be boxed or crated.**
• **Outgoing freight services:** Lone Star Decorating is requiring all exhibitors to check-in their outgoing shipments at their service desk which will be located at the loading dock at the top of the ramp. **Do not simply drop off your outgoing freight in the area—items tend to be misplaced when not properly checked in.** For outgoing freight services, you must have outgoing labels and make prior arrangements with your carrier (UPS, FedEx, etc.) to pick up your material from the Frank Erwin Center between the hours of 6:00pm – 8:30pm on February 21st, 2019. UPS & FedEx require a 24-hour notice. The address for the Frank Erwin Center is as follows:

Frank Erwin Center  
1701 Red River Street  
Austin, TX 78701

• **Other freight handling information:**
  1. Make certain all material is properly insured against fire, theft, and all hazards while in transit to and from your booth and for the duration of the exhibition.
  2. It is the exhibitor’s sole responsibility to label each piece of outbound shipment and submit to Lone Star Decorating a completed bill of lading covering each outbound shipment. Lone Star Decorating will not be responsible for delay of rush shipments, which will be expedited to the best of their ability. Lone Star Decorating will not be responsible for conditions, count, or content until such time as exhibit or materials are picked up for removal after the close of the exhibition.
  3. Exhibitor routings on outbound shipments will be honored when possible, however the right is reserved to reroute any outbound shipment not picked up within allotted move-out period by exhibitor specified carrier. Exhibitor must arrange for special carrier. Exhibitor materials remaining after the move-out period without forwarding instructions will be forwarded to the permanent address for the exhibitor or his agent, freight collected, and no liability of any nature shall attach to exhibit management or to Lone Star Decorating. In any event, Lone Star Decorating will not be liable for exhibit materials abandoned at the exhibit site.

**IMPORTANT:** Please attach a freight label to your shipments. If you are using a third-party shipper, please forward them a copy of the freight labels. This will help ensure that your materials are delivered to the correct career fair. During this week there are five other career fairs going on
