   ✔ Add    □ Drop      □ Title    □ Subject-Matter
   □ Contact Hrs /Semester Hr Value □ Meeting Statement □ Degree Plan Statement
   □ Same-As Statement               □ Restriction(s)       □ Prerequisite

4. Course Title: Topic 4, Polymathic Capstone Field Invention

5. Same-as Statement:

6. Restrictions:
   Restricted to students admitted to the Evidence & Inquiry certificate program.

7. Subject-Matter Description:
   This seminar provides students seeking the Evidence & Inquiry certificate guidance in developing a feasible interdisciplinary field of study, ensures that they consult with faculty who are familiar with the field, and offers substantive writing instruction as they work to develop a proposal that describes and justifies their field.

8. Contact Hours:
   (a) Lecture: 1    (b) Lab:      (c) Value in Semester Hours: 1

9. Meeting Statement:

10. Degree Plan Statement:

11. Prerequisite:

12. Justification:
   Faculty created NSC 109 several years ago to provide undergraduates guidance in designing a curriculum around a chosen interest, and to offer sentence-level writing instruction. The faculty would like to make the course a required element of the certificate.

13. Date Approved by Department: November 17, 2016

14. Form Completed by: Madison Searle
