Please wash your hands.

Wash your hands often with soap and water for at least 20 seconds or use an alcohol-based hand sanitizer.
Wash your hands.

Wash your hands often with soap and water for at least 20 seconds or use an alcohol-based hand sanitizer.

Washing your hands is important. Scan this QR code for more information on how to wash your hands correctly.
Face Mask Strongly Recommended

Masks are strongly recommended indoors regardless of vaccination status. Ensure your mask completely covers your mouth and nose.

Wear your face mask correctly. Scan this QR code for more information on how to wear your face mask.
