<td>I was tasked with making tools to help the search team be more efficient.</td>
<td>As part of this organization, I created tools which will be used by about 70 people every day to make their work much faster.</td>
<td>Most internships do not have any impact on the organization, which is what I was expecting. This internship exceeded my expectation since I was able to produce a tool which has significant impact by helping Google employees work on their goal more efficiently.</td>

Would you recommend this internship to another student? Why or why not?

Yes I would. You get to work on meaningful projects and the perks are quite great.

If you could change one thing about your internship experience, what would it be and why?

I wish my manager was more available to me.

Please provide any additional information regarding your internship that you feel students should know.
