Texas Masters of Occupational Therapy (MOT) (Public)
Texas Tech University Health Sciences Center, Master of Occupational Therapy Program (Lubbock)
Texas Woman's University, School of Occupational Therapy (Denton, Dallas, and Houston)
University of Texas at El Paso, Occupational Therapy Program (El Paso)
University of Texas Health Science Center at San Antonio, Department of Occupational Therapy (San Antonio)
University of Texas Medical Branch, Department of Occupational Therapy (Galveston)
University of Texas Rio Grande Valley, Department of Occupational Therapy (Edinburg)

Texas Masters of Occupational Therapy (MOT) (Private)
Abilene Christian University, Occupational Therapy Program (Abilene)
University of St. Augustine for Health Sciences, Occupational Therapy Program (Austin)

Doctor of Occupational Therapy (OTD) Programs

The OTD is a higher level degree to prepare for advanced roles in practice leadership, advocacy for special populations, and occupational therapy faculty positions.

The Entry-Level OTD is pursued instead of the MOT by students who want to go directly to the more advanced degree. MOT and OTD graduates prepare for the same OT license to practice.

As of the date of this document, the HPO is aware of one entry-level OTD program in Texas.

Texas Entry-Level Doctor of Occupational Therapy (OTD) (Private)
University of St. Augustine for Health Sciences, Occupational Therapy Program (Austin)
This program is in development and has Candidacy Status for accreditation with ACOTE. Contact the school for more information.

Information on the accreditation status of MOT and OTD professional programs is available at: ACOTE Accredited Occupational Therapy Education Programs

Post-professional OTD programs are not listed here because they are for already licensed practicing Occupational Therapists who wish to add the more advanced degree to their credentials. If you would like to learn more about post-professional OTD programs, check out the school websites and visit with schools at our annual Health Professions Fair. See our Events page at https://cns.utexas.edu/health-professions.

Important Links and Information
See our Pre-Occupational Therapy pathway page to learn more about preparing for and applying to OT schools.
