What is Americorps?

**AMERICORPS NCCC**
The AmeriCorps NCCC programs offers 18-26 year olds an all-expense paid year of service (room & board, meals, transportation, etc.) in exchange for a 10-12 month commitment (perfect for a gap year). AmeriCorps NCCC members travel the country working on projects such as rebuilding trails in national parks, responding to natural disasters or working as mentors for underserved youths.

**AMERICORPS VISTA**
AmeriCorps VISTA members dedicate their time to organizations that help eradicate poverty. AmeriCorps VISTA members serve as a catalyst for change, living and working alongside community members to meet our nation’s most pressing challenges and advance local solutions. VISTA members go where they are needed and make a difference through volunteering and the mobilization of resources.

**AMERICORPS STATE & NATIONAL**
AmeriCorps State and National engages in strategic grant-making to support organizations that see service as a solution to local and national challenges, and creates powerful member experiences that result in lifelong civic engagement. Funded programs use national service to address critical community needs across a range of focus areas, such as disaster relief, education, economic opportunity, healthy futures, and more.
