Thank you for a successful year!

As another academic year comes to a close, we begin to ramp up for Fall 2019. We encourage you to start planning early and get in touch with us this summer!

Be sure to check out our employers' website for important information!

Highlights from the spring include:

- over **150 employers** at the career fair
- **1,600 students** in attendance
- a new career coach on our staff
- Handshake available to ALL UT Austin students

Have a great summer and talk soon!

Laura Jones

technology & science career fair

9 • 19 • 19

For more information and to register, visit the event page on Handshake [http://bit.ly/2CPTnKe](http://bit.ly/2CPTnKe)

Registration opens May 6th!
ON-CAMPUS INTERVIEW REQUEST

1. Complete the request form
2. Wait for a confirmation email
3. Pay online to secure rooms
4. Find candidates!

**survey opens May 6th**!

OFFER GUIDELINES

Deadline for return offers: October 18
Deadline for new offers: October 31, or two weeks, whichever is later

*return offers include internship to FT hire

Our guidelines are intended to help both students & employers manage the offer process in a fair and transparent framework. Our hope is to minimize reneges and reduce the pressure on our students.

SUMMER 2020 INTERNATIONAL STUDENT INTERNSHIP DATES

First day of work: May 25, 2020
Last day of work: August 17, 2020

Recruiting Tips

Connecting to students requires a variety of efforts and methods! Below are some suggestions ...

EMPLOYER PREVIEW NIGHT

Join us for a networking night before the career fair and meet some of our students in a low-pressure, casual setting.

Space is limited!

When: Wednesday, September 18th, 5:30 - 7:00 pm
Cost: $50

SIGN-UP

INSTAGRAM TAKEOVER

Connect to students from the comfort of your office! Social media is one of the easiest places to "find" our students. Takeover the CNS Career Services Instagram for one day and showcase what your company has to offer!

Videos are then uploaded to our YouTube channel!

Cost: FREE!

FAQ's

When will my job posting be approved?

Handshake is now available campus-wide and therefore, the volume of job postings continues to rise. If you submit a job targeting CNS students, please send an email to cnsrecruit@austin.utexas.edu. We can help expedite the approval process.

Do I need to use Handshake for on-campus interviews?

No. We want recruiters to use what works best for you. Handshake does have limitations to what you as the employer can manage. For complete control over your schedule, time slots and sign-ups it is best to manage these outside of Handshake. This is especially true if you have a quick turn-around time!

CNS Inventors Program

The Inventors Program is a new CNS initiative that empowers interdisciplinary teams of science and engineering undergraduate students to turn scientific discoveries into societal impact.

We rely on engagement and real-life problem statements from companies that our students can focus their efforts on throughout the semester.

Working on real industry problems, students learn a number of professional skills like communicating scientific ideas and working on teams to collaborate with a client on market research, prototyping and more!

To get involved with this program, contact Mandi Ford Argo at mandi.argo@austin.utexas.edu
