CNS Graduates follow diverse paths after graduation ranging from employment to graduate programs. Below is a list of graduate schools Chemistry Alumni attended upon graduation. This list was generated from self-reported information on the CNS graduation survey. There may be additional programs attended by alumni that were not reported.

**Doctoral**
- Boston College, Chemistry Department
- Columbia University, Department of Chemistry
- MIT, Department of Chemistry
- Northwestern University, Department of Chemistry
- Princeton University, Department of Chemistry
- Rice University, Department of Chemistry
- Texas A&M University, Department of Chemistry
- University of Arizona, Department of Chemistry
- University of California Los Angeles, Department of Chemistry & Biochemistry
- University of California Los Angeles, Samueli School of Engineering and Applied Science
- University of Colorado, Department of Chemistry
- University of Illinois at Chicago, Department of Chemistry
- University of Illinois Urbana-Champaign, Department of Chemistry
- University of Massachusetts, Chemistry Department
- University of Miami, Department of Chemistry
- University of Minnesota, Department of Chemistry
- University of Minnesota, College of Science and Engineering
- University of Rochester, Department of Chemistry
- University of Southern California, Department of Chemistry
- University of Texas at Austin, Department of Chemistry
- University of Texas San Antonio, Department of Chemistry
- University of Washington, Department of Chemistry

**Masters**
- Sam Houston State University, Master of Science in Chemistry
- Texas A&M University Commerce, Master of Education in Education Administration
- University of Texas at Austin, McCombs Business School
- University of Pennsylvania, Engineering Program
- University of Texas Health Science Center, School of Public Health
