CNS Graduates follow diverse paths after graduation ranging from employment to graduate programs. Below is a list of graduate schools Mathematics Alumni attended upon graduation. This list was generated from self-reported information on the CNS graduation survey. There may be additional programs attended by alumni that were not reported.

**Doctoral**
- Baylor University, Department of Mathematics
- Cornell University, Department of Mathematics
- Duke University, PhD Program in Statistical Science
- Georgia Institute of Technology, College of Engineering
- Harvard University, Math Department
- Massachusetts Institute of Technology, Computational Science and Engineering
- North Carolina State, Department of Mathematics
- Ohio State University, Department of Mathematics
- Princeton University, Department of Mathematics
- Rensselaer Polytechnic Institute, Mathematical Sciences
- Rice University, Department of Mathematics
- Stanford University, PhD in Mechanical Engineering
- Texas A&M University, Department of Mathematics
- Texas A&M University, PhD in Economics
- Tufts University, School of Engineering
- University of California Berkeley, Engineering
- University of California Santa Barbara, College of Engineering
- University of Colorado Boulder, Department of Mathematics
- University of Illinois Urbana-Champaign, Department of Mathematics
- University of Michigan, PhD in Mathematics
- University of Minnesota, School of Mathematics
- University of Oregon, Mathematics Department
- University of Pennsylvania, Department of Mathematics
- University of Tennessee, Graduate Studies in Pure and Applied Mathematics
- University of Texas at Austin, Cockrell School of Engineering
- University of Texas at Austin, Oden Institute of Graduate Studies
- University of Washington, Department of Mathematics

**Masters**
- Columbia University, Columbia Business School
- Columbia University, Master of Science in Applied Physics and Applied Math
- Columbia University, Master of Science in Enterprise Risk Management
- Fordham University, Gabelli School of Business
- Georgia Institute of Technology, Master of Science in Quantitative and Computational Finance
- Harvard University, Master of Science in Biostatistics
- Illinois State University, Department of Mathematics
- Imperial College London, Imperial College Business School
- New York University, Department of Mathematics
- New York University, Stern School of Business
- Northwestern University, Mathematics Department
- Rice University, Jones Graduate School of Business
- Stanford University, Department of Mathematics
- Stevens Institute of Technology, School of Business
- Texas A&M University, Department of Statistics
- University of Chicago, MS Program in Computer Science
- University of Geneva, Section de Mathematiques
- University of Houston, Department of Mathematics
- University of Tennessee, Haslam School of Business
- University of Texas at Arlington, College of Business
- University of Texas at Austin, Department of Mathematics
- University of Texas at Austin, LBJ School of Public Affairs
- University of Texas at Austin, McCombs School of Business
- University of Texas Health Science Center, Department of Biostatistics and Data Science
