Seminars and Workshops – Currently Focusing on 5 Main Areas

- **Career Exploration and Professional Development for Non-Academic Careers**
  - Panel Discussions with PhDs in a variety of careers
  - Seminars focused on: Job Search Strategies; Résumé and Cover Letter Guidance; Interview Preparation
  - Networking and Recruitment Events

- **Grant Application Workshops** – with assistance from the Graduate School, the VPR Office, and CNS Office for Strategic Research Initiatives
  - NSF-GRFP, NIH NRSA Awards, NIH K99/R00 Awards

- **Academic Careers Workshops** – Helping students prepare for the academic job market

- **Training Programs**
  - Concentration in Teaching and Mentoring, 3-seminar series offered through TIDES (the Texas Institute for Discovery Education in Science)

- **Responsible Conduct of Research Training**
  - Core sessions may include: Research Misconduct; Publication/Authorship; Peer Review; Conflict of Interest; Collaborative Research

**Tentative Professional Development Seminar/Workshop Schedule for 2016-17**
Seminars are often held on Tuesdays (the 3rd Tuesday of each month) from Noon-1:00pm in NHB 1.720, with video-link to graduate students and postdocs at the Marine Science Institute (Port Aransas)

All CNS-sponsored Professional Development events are listed on the Online Events Calendar, and are advertised via email using the CNS grad student and postdoc email listserv (cns-gradstudents@utlists.utexas.edu and cns-postdocs@utlists.utexas.edu)

**Information about Responsible Conduct of Research (RCR) Certification:**
CNS provides ongoing Responsible Conduct of Research training and certification opportunities for graduate students. Many funding agencies, including the National Science Foundation and National Institutes of Health, require training in scientific ethics for graduate students and postdocs supported by various types of grants and fellowships. Information about RCR training/certification opportunities will be provided via email and online.
